

zipForm® 6

Training Class

Introduction to zipForm®6 Professional (Online)

**Winforms is going away.
"And we're not kidding!"**

Q: Is Winforms really going away?

A: Yes. Winforms will expire March 31, 2010 and you will be required to upgrade to the NEW zipForm®6.

Q: If I don't upgrade on March 31st what can I expect?

A: You will not be able to access Winforms and you will be required to upgrade to zipForm®6.

Q: Will my existing transactions go away when I upgrade to zipForm®6?

A: No. When you upgrade to zipForm®6, ALL your transactions within the past 14 months will transfer over.

Q: What is the difference between zipForm®6 Professional and zipForm®6 Standard version?

A: zipForm®6 Standard: Access zipForm®6 from your desktop computer. (Requires download) Files saved to desktop.

A: zipForm®6 Professional: Access zipForm®6 from any computer with internet access. (Files saved online)

Q: Will this new upgrade cost me anything?

A: No. zipForm®6 is a member benefit from C.A.R. and is available to all REALTORS® who are current with their membership dues.
