Subject: Seaside Update Regarding Real Property Inspection Reports

City staff is providing essential services required to operate essential businesses, which includes banks, related financial institutions, and "professional services" necessary to assist in compliance with legally mandated activities.

We recognize that Real Estate professionals assist with legally mandated activities, which may include processes, policies, procedures, programs or practices where, if omitted, would violate legal requirements by either a civil and/or criminal offense.

Although the Building and Code Enforcement Department will continue to provide Real Property Inspections and process Disclosure Reports, this process may require additional time to complete. We appreciate your patience as we continue to adapt in order to protect the health of our community and our staff.

Please keep in mind, the City of Seaside is only allowing one person at a time to enter city hall "by appointment only." To set up an appointment, please call (831) 899-6723 or email Building@ci.seaside.ca.us

If you have any questions, please feel free to contact myself by phone or email.

Best Regards,
DL

David Little
