REMINDER

All City parks closed until further notice

Salinas, CA -- As the Easter holiday approaches the City wants to remind all residents that Salinas parks are closed until further notice. This action was taken on March 25, 2020 in an effort to protect the health and safety of Salinas' youth, children and families and reduce opportunities for exposure to COVID-19.

Library and Community Services Director Kristan Lundquist states, "Parks have traditionally been gathering spaces for families over the Easter weekend but this year, we are urging residents to continue to follow the Shelter in Place order and the CDC Guidelines regarding preventative measures. Residents are encouraged to connect with family through technology like Zoom, Facetime or other platforms".
